Enhancing Services, Enhancing Lives

Living paycheck-to-paycheck isn't a choice for most Fremonters—it's a reality. When an unexpected crisis hits, reality hits harder. Studies consistently show that most Americans are a single crisis, or a single paycheck, away from homelessness. Once homeless, the climb back out of homelessness can be long and costly, to the individual, and to the community.

Since 2007, Uniquely Yours Stability Support (UYSS) has been meeting the unmet needs of those in our community, by enhancing existing services provided by agency partners.

UYSS' mission is to prevent and end homelessness by assisting families with *their unique obstacles* to housing stability. Unique obstacles are just that—unique—and can include just about anything, except legalities.

Some of the unique obstacles UYSS has been able to remove include: birth certificates and identification cards; gas vouchers; vehicle registration, insurance, and repairs; rent and utility payments, including past-due bills; medical, dental, and mental health costs; and much, much more.

When a single person doesn't qualify for assistance due to not having children, UYSS is there. When a working family in crisis can't be helped because they make too much money, UYSS is there. When an agency has a client need that their programming is unable to meet, UYSS is there. When past mistakes interfere with
